

## January President' Message

Maia Gendreau, AIA, CSI CDT

### MEETING MUSINGS

Thank you to those of you who made the trek down from San Francisco to enjoy the Bi-Chapter Holiday Celebration. It was an event to remember, celebrating the holidays with all of our San Francisco CSI friends, with a well-attended party that left the community buzzing for days following! Not only did we enjoy great food, music, dancing, and comradery; we also raised funds for the San Francisco CSI Foundation Scholarship fund and collected a lot of gifts for less fortunate children for Toys-for-Tots. Mixing and mingling with San Francisco CSI Chapter members and many guests, the photo booth and the AS IS Band made it a very memorable and special event.

### CSI CERTIFICATION

I'm proud to announce that this chapter can congratulate Terri Sudbrook, CSI, on attaining CDT certification. A New Year means another chance to sign up CSI Certification testing. This is a great chance for professional development: *"CSI's CDT Certificate and advanced certifications – CCS, CCCA, CCPR – are recognized throughout the industry as evidence of a proven level of education, knowledge and experience in construction documents. These credentials demonstrate professional commitment, credibility and reliability to employers, colleagues and clients."*

The new Institute website; [www.CSIresources.org](http://www.CSIresources.org), has good information about registration and study guide information, check back for registration dates.

### SAVE THE DATES

As we launch into 2017, mark your calendar for these upcoming CSI events:

Bi- Region Conference, Seattle May 18-20. The conference will be hosted at the Sheraton Seattle

The chapter will host an education seminar, target date early June.

CONSTRUCT will be at the Rhode Island Convention Center, Providence Rhode Island, Sept 13-16
